WHY SELLERS ARE MOVING NOW

1

Prices up 6.7% YoY

Strong market recovery — Q2/Q3 is peak transaction season.

2

Declining interest rates

SORA falling → buyer affordability improving → larger qualified buyer pool.

3

Wealthiest buyer base ever

Singapore UHNWI count up 55% in 5 years. Forecast: +46% more by 2031.

4

Supply stays scarce

Landed stock grew only 12% in 25 years vs 228% for non-landed condos.
